

Mind2Care

Pregnancy and childbirth can be experienced in a different way by different women. Some women are happy and look forward to the delivery. Others have doubts, feel uncertain or anxious. The Mind2care questionnaire examines the way you feel. If necessary, you can receive an advice for additional support during pregnancy.

Completing the questionnaire

You can complete the questionnaire online. To open the questionnaire, you need to register at IVIDO. This registration process only needs to be completed once.

IVIDO is an organisation which protects your personal information in a safe digital environment.

1. Registration at Ivido

Your midwife or doctor asked you to complete the questionnaire. You will receive an email with an invitation to the Mind2Care questionnaire. Follow the steps in this email.

The registration process at IVIDO will take some time. We believe it is important to protect your personal information. That is why we choose for this type of registration.

In the email you will find an animation with further explanation of the registration process.

Questions

Do you have questions about the Mind2Care questionnaire or about this leaflet? Check our website www.mind2care.nl or contact your midwife or doctor.

Do you have questions about the registration process or about completing the questionnaire online? Contact our [helpdesk](#).

Personal advice

After completing the questionnaire, you will receive a personal advice. This advice will tell you if you qualify for additional professional support during pregnancy. The advice is not obligated.

Your midwife or doctor will discuss this advice with you. If you agree, he/she can refer you to the advised additional support. You will be referred to support as close by your home as possible.

Privacy

Your midwife or doctor also receives your advice. However, he/she is not able to get insight into the specific answers you filled out on the questionnaire. Only you will have this detailed information.

About Mind2Care

The Mind2Care questionnaire is the product of years of research by Dutch scientists and professionals in perinatal health. The questionnaire is managed by the Mind2Care foundation, in collaboration with the Dutch National Center of Knowledge of Psychiatry and Pregnancy (in Dutch 'Landelijk Kenniscentrum Psychiatrie en Zwangerschap' LKPZ).

Only authorised health care professionals who have a contract with the Mind2Care foundation can use the questionnaire. For you, there are no additional costs.
